Educake

Educake student competition

Information for teachers

Student independent revision competition

- This competition will boost engagement and motivate your students to revise using Educake!
- During each week between 9th Nov and 6th Dec 2026, every student who answers at least 10 questions they set themselves (on Revision Wizard or Study and Quiz Yourself) will receive an entry into the prize draw.
- If they do this every week, they'll get 4 entries, maximising their chance of winning 1 of 3 exciting prizes! They don't need to do anything else to be in with a chance.
- We also encourage presenting weekly or bi-weekly 'effort' awards during assemblies or class time, allowing teachers to recognise students who have shown exceptional commitment or improvement.

Educake

Additional information for teachers

- Top tip: you can see which students have qualified for the draw by logging in and viewing your Student League Table. Set the date filters and look at Qs Set Themselves. Your account manager will be happy to show you how to do this!
- The [Educake info hub](#) contains videos and further resources to support to staff who need familiarising with Educake.
- Here's a video that explains [how students can use Educake to set their own questions](#).
- We are also happy to support with sending posters to put up around the school! Just email us at support@educake.co.uk
- Educake [printable certificates](#) you could award with the prizes.

Educake student competition

Information for students

Revise and you could win a prize!

- Three lucky students who use Educake to revise, could win: a Lenovo Chromebook, an Amazon Fire HD tablet or a Sony WH-CH520 Wireless Headphones in a random prize draw.
- Just log in to Educake and set yourself at least 10 questions every week between 9th November and 6th December 2026
- The more weeks you do this, the more entries you will get in the prize draw (maximum number of 4 entries).

Good luck with your revision!
